

# MY 4-H YEAR

This is the overall story of your 4-H year beyond what you did in your project work.

Include your involvement and activities in these areas as applicable:

## Club

(not what your club did, but what you did in your club – how you contributed to the work of your club, how you were involved in your club's activities, etc.)

## County

## State

## National

Use pictures and stories to tell what YOU did.  
(Do not include project pictures; they belong in the project section.)

Pictures must be captioned.

Include this sheet in your record book as the cover page to your story.

This section needs to be tabbed.
