Project Day Classes

3D EnviroScape® Watershed Model - Water Quality

Lead by Sarah Brown, Extension Washburn Co Natural Resources Educator

Join us for a hands-on adventure with the EnviroScape watershed model, where you'll explore watersheds, pollution, and conservation practices all while playing with water! Get ready to make it rain, create pollution, and protect our model watershed in this session!

Grade: 3 grade and up

Min: 3 youth **Max:** 6 youth

Landscaping Painting

Lead by Ivy Johnson, Burnett County 4-H Youth Leader

Paint a beautiful landscape and "scratch your creative itch" through this fun painting project. Finished products can be entered into the upcoming Cultural Arts Fest or County Fair.

Grade: 3rd grade and up

Min: 3 youth **Max:** 6 youth

Crocheting

Lead by Mary Johnson, Burnett County 4-H Leader

Learn the fundamental stitches and techniques of crocheting, including how to hold your hook, read patterns, and create simple projects.

Grade: Open to all youth; we recommend a 1:1 adult-to-youth ratio for youth in grades K-2 (who like crafts and can focus on one project for about an hour)

Min: 3 youth **Max:** 6 youth

Boredom Busters for Rabbits & Chickens

Lead by Nathan & Rees Whitmore, Washburn County Youth Leaders and Amy Whitmore, Washburn County 4-H Small Animals Leader

Make creative and useful toys for rabbits and chickens to reduce boredom in the barnyard from recycled items. Plant some wheat or rye to give your animals a treat.

Grade: Kindergarten and up

Min: 3 youth **Max:** 12 youth

Food Science

Lead by Beth Rank Burnett & Washburn Counties 4-H Educator

Participants will use common kitchen ingredients in fun science experiments and learn about a variety of chemical reactions.

Grade: Open to all youth; we recommend a 1:1 adult-to-youth ratio for youth in grades K-2.

Min: 3 youth **Max:** 12 youth

In case of bad weather or low attendance, we may cancel the event. You will be notified via email, and it will be posted on the Burnett County 4-H Facebook page.
